Subject: Draft Ballot Title - Initiative Petition 2020-044, Decriminalizes personal, non-commercial possession of most drugs; establishes fund

Director Trout;

The Summary of the Draft Ballot Title misstates the current law. Drug possession in the described circumstances can also be a B or C Felony based on the Defendant's criminal history. See ORS 475.752 (7) & (8). This also renders the "Result of No Vote" statement incorrect as well.
